

## ***Costs Associated with Funerals***

Our Professional Service Fee includes: This is our main fee for customers, and covers the overheads of running our business, staff salaries, ongoing professional training and development of staff, rent, power, rates etc. In respect to this requirement we carry out the following on your behalf:

Transportation from the place of death, personal attendance to receive instructions concerning funeral, directing funeral in the greater Wellington region including Kāpiti. We arrange the collection of medical papers and filing of the appropriate legal forms with the authorities, as well as attending to the medical referee and sexton at the cemetery or crematorium. The fee includes appropriate care of the deceased and use of our facilities and provision of 24-hour care.

### ***Other charges associated with funerals***

When we organise other items, for example: burial plots, newspaper notices, catering etc, these will be included onto the final funeral account and depending on which cemeteries, newspapers and caterers will determine what charges will apply.

Please note when we pay such items at the families request we do add 15% before they are placed onto the final funeral account.

#### ***Please note:***

At the completion of all funeral arrangements we will give you a written estimate, this estimate is followed up by a breakdown of all cost involved, so you remain in charge of what the costs associated with the funeral will be.

### ***Financial assistance may be available from Government Agencies***
