The background of the slide features several pieces of jewelry. Each piece consists of a silver-colored metal chain with a large, teardrop-shaped pendant. The pendants are made of a dark, translucent material, possibly obsidian or a similar volcanic glass, which has been artfully etched with intricate, swirling patterns that resemble flames or smoke. The chains are arranged in a way that they appear to be hanging from the top of the frame. A large, white circular graphic with a thin green border is centered over the image, containing the text. The bottom portion of the slide is a solid green color with a white curved line separating it from the image area.

Flame Art  
Memorial Beads

[www.flameart.co.nz](http://www.flameart.co.nz)

A very special way to hold the memory of your loved one close to your heart every day.

Great care will be taken to skillfully encase a small portion of your loved one's ashes or a lock of hair into the matrix of the glass, while forming the bead within the flame.
